EXPERIENCE

JUNE 2018 - JULY 2018

Grace Partnership Architecture Firm - Intern

A full-service architecture firm, from pre-design services and conceptualization to construction contract administration. During my internship, I managed calls that came from outside clients, learned about architecture, how to create models, and how to use different tools such as X-acto knives and T-Square rulers.

DECEMBER 2019 - JUNE 2022

The Husky Herald Newspaper: Journalism Club - Founder / President / Head Designer

As the president, I made sure that all deadlines were met so that we could release the monthly newspaper. As the head designer, I assigned articles to each designer, then edited them at the end of the month. I also designed the layout, logo, and branding for the newspaper. After the newspaper was finished, I printed copies for our school. I learned how to work under a tight schedule and how to use different programs such as Adobe InDesign.

FEBRUARY 2021 - SEPTEMBER 2021

Los Angeles Public Library Community Garden Advocacy - Designer

Advocating for a sustainable and financially beneficial method of growing vegetables in a community garden in Los Angeles Koreatown. Worked with a team to create a cohesive and persuasive presentation. I learned how to work within a team filled with people that I had never interacted with before.

MARCH 2021 - JUNE 2022

InArt Studio

Developed different skills as an artist. I learned how to design art pieces using Adobe programs. Through creating these different art pieces, I developed my creative mind and learned how to formulate ideas for future design projects.

MARCH 2021 - JUNE 2022

CXU Art Gallery - Intern

Helped curate and set artists' work for exhibitions. Learned how to work with other people to display a person's artwork to its fullest potential.

JUNE 2021 - JULY 2021

Alphabet Animals Workbook Designer

Sketched and graphically designed the layout of the pages for an alphabet workbook (used Adobe Illustrator). These workbooks were printed out and given out to younger children as a donation.

AUGUST 2022 - PRESENT

ROSKI IT - Work-Study

Helping professors and other staff with anything related to technology. Some of my other tasks are inventory checks, managing calls from outside, and downloading and helping students with different Adobe programs.

FEBRUARY 2023 - PRESENT

Creative Labs SC - Marketing Intern

Creative Labs SC is a student organization that cultivates creativity and creates a community for visionaries to build their ideas into reality. As a marketing intern, I promote the club on different social media platforms such as TikTok, while also planning different events and activities to create more interest. I also partake in personal and group projects in which I can express my creativity.

FEBRUARY 2023 - PRESENT

Flower for You - Design Marketer

Flower for You is a small organization that folds origami flower bouquets and donates them to local children's hospitals. They plan to hold events and workshops that work with children to learn origami to help with boredom at hospitals. As a designer for this team, I branded their organization and created a brand style guide for them.

FEBRUARY 2023 - PRESENT

Innovative Design - Designer

Innovative Design is an organization that collaborates as a team on professional client projects. In this organization, I work as a designer to cooperate with others to create designs for clients and others.
